

# Therap Global Newsletter July 2018

## Overview of Therap Global

Therap is the global leader in Electronic Documentation for Persons with Disabilities (PWD). Therap Global provides secure, web-based documentation and communication services to many disability agencies globally across Bangladesh, Indonesia, Philippines, Nepal and USA. Therap's software suite is useful for caregivers of Persons with disabilities (PWD) such as Developmental Pediatricians, Child Psychologists, Speech and Language Therapists, Occupational Therapists, Special Education Teachers, Administrators and Parents. Therap Global provides regular support to the users through online and onsite training along with training videos and user guides. We also organise events such as workshops, conferences and information sessions globally throughout the year. Every year, Therap hosts a conference in Dhaka annually. We were the Technology partner of [23rd AFID Conference](#). And in 2018 we were also a proud Platinum Partner of [Inclusion international's 17th World Congress](#).
