

Therap Global Newsletter September 2018

Therap Global Events:

Therap Global has planned several events over the next month for the Disability Service Providing Agencies Globally. These events will bring together the Therap Global team as well as the Therap users from different countries. These events are workshops, user presentations, agency specific discussions, and live demonstration of Therap modules. It is also a great opportunity for the Disability Service Providing Agencies to build network with people from other organizations across the country and share their experiences.

Therap Global event sessions include:

- Introduction to Therap Global
- Discussion about Therap popular Modules
- Therap Mobile Applications
- Live demonstration of the modules
- Demonstration of Therap Global
 Online Training
- Q&A session
