Patrick states that he sometimes finds it difficult following a conversation, especially in group situations. He often has to ask his friends repeat themselves. Often He doesn't realize that someone is calling him, especially the person is another room or if it is a very noisy classroom, His parents added he often asks for the volume of the TV or stereo to be turned up or sits closer to them to hear properly.

His parents were advised to take him to an audiologist for identifying if he has any hearing loss.
