

Add Video to Individual Home page

Users with **Video Upload** Super role can add video in the **Individual Home Page** of the individuals.

1. Under the **Video Library** section, click on the **New** link beside **Video**.

The screenshot shows the Therap Global software interface. On the left, there is a sidebar with icons for Individual (selected), Reporting, Health, Admin, and Settings. The main content area has a header "Video Library". Under this header, there is a table with one row. The row contains the word "Video" in the first column and two buttons in the second column: a yellow "New" button with a bounding box of approximately [500, 500, 520, 520] and a "Search" button with a bounding box of approximately [525, 500, 545, 520]. The rest of the interface is mostly empty or contains placeholder text.
