Create Behavior Data Report

Users with the *Behavior Report View* role can generate and search saved **Behavior Reports.**

The Behavior Report can be generated in two formats:

- Graph
- Table

The Behavior Report Graph format

1. Click on the **Report** link beside the **Behavior Data** option under the **Care** section from the **Individual** tab.

2. On the **Select Individual for Behavior Report** page, select the individual from the list.

Select Individual for Behavior Report

| All | A | B | C | D | E | F | G | H | I | J | K | L | M | N | O | P | Q | R | S | T | U | V | W | X | Y | Z |

Comments

Comment

Isaac's Behavior appears to show fluctuations in aggression and vocal expression over the observed weeks. We need to be more focused on him to support Isaac's well-being.
