

Enter Diagnosis Information

Therap's system allows service providers to enter Diagnosis Information for persons with disabilities using the International Classification of Diseases ICD-10 and ICD-9.

Diagnosis can be entered in the following ways:

- [From the Individual Demographic form \(IDF\)](#)
- [From the Individual Medical Information](#)
- [From the Individual Diagnosis](#)

Users assigned with **IDF Admin** administrative role can enter diagnosis information from **Individual Demographic form (IDF)** and the **Individual Diagnosis** and users assigned with **Medical Information Edit** role can enter diagnosis information from **Individual Medical Information**.

Enter New Diagnosis from Individual Data form (IDF)

1. Click on the **Admin** tab from Dashboard

6. You can enter the appropriate information about the diagnosis in the Diagnosis Code section. Select either ICD-10 (or ICD-9) from the drop down menu and search by typing either the name of the diagnosis or the diagnosis code in the section ICD-10 (or ICD-9) field and it will display similar diagnosis code names in a drop down menu.

N:B: All the fields below are optional.

Diagnosis Date	01/01/2023 

8.

- You can enter the name of the person who diagnosed the individual in the **Diagnosed By** field by searching the name from the shared contact list.

(Note: See [Shared Contact](#) guide to learn more)

- If this is the primary diagnosis then you may click on the check box beside **Is Primary Diagnosis?**
- If the diagnosis has been resolved then click on the check box beside **Resolved** and you may also fill up the Resolve Date and Resolved By field.
- After entering the information, click on the **Save** button.

The screenshot shows a form for entering diagnosis information. The fields and their values are:

- Diagnosed By:** A text input field containing "Marry, William / Dr.". An orange arrow points to this field.
- Is Primary Diagnosis?:** A checkbox that is checked. An orange arrow points to this checkbox.
- Resolved:** A checkbox that is unchecked.
- Resolve Date:** A date input field containing "MM/DD/YYYY" and a calendar icon.
- Resolved By:** A text input field containing "Lookup Shared Contact".

At the bottom of the form, there are three buttons: "Cancel", "Back", and "Save". The "Save" button is highlighted with an orange border.

9.

- After clicking on the Save button, the 'Diagnosis successfully saved' message will be displayed and the added diagnosis will be displayed on the Diagnoses List page.
- If you want to download this as PDF then click on the **Display PDF** button at the bottom of the page.
- Click on the **Deleted Diagnoses** button if you want to see any deleted diagnoses.
- Click on the **Create New** button if you want to add another diagnosis.
