

# Demographic Dashboard (Demographic Overview Report)

The Demographic Dashboard feature provides detailed reports that contain various information including counts by gender, citizenship, age, language, communication modality, mobility, location (state), race, supervision, program, and ID type, as well as Active/Inactive Individuals and Top 10 Diagnoses [ICD-9/ICD 10/DSM-5]. The numbers in the demographic report are linked to the corresponding Individual Demographic form. Users may generate/view the Demographic Information for a single Program or for multiple Programs at the same time.

Users with the **Admin Report** Administrative Role are able to generate the **Demographic Dashboard**.

1. Click on the **View** link next to the **Demographic Dashboard** section under the **Agency Reports** tab.
