

Enter Skin/Wound Data

Users with **HT submit roles** can enter the data of skin/wound.

1. Click on the **New** link beside **Skin/Wound** under the **Health** Tab.

The screenshot shows the 'Health Tracking' interface. On the left, there is a sidebar with 'Tabs' and 'Sections'. The 'Health' tab is selected. The main content area is titled 'Health Tracking' and contains a list of categories. The 'Skin/Wound' category has a 'New' link highlighted with a red box.

Category	Actions
