Format: Select Table, Bar Graph, or Line Graph for the report format. (This field is only available if the Programmatic report type is selected.)

Start Date & End Date: Select a date range for the report. For Programmatic Reports, the date range can be a maximum of 2 years.

Review period: Select how you want the data to be grouped and displayed by Day, Week, Month, Quarter, Year, or the Custom option.

Score Showing Option: Select Percentage only, Trial Count only, or Both. (This field is only available if the Programmatic report type is selected.)

Programmatic Report

The following will be displayed on the **Programmatic Report**.

- The Report Description field, allows you to enter a short name for the report, and is required if you want to save the report.
- The individual name, date range, review period and time zone.
- The Generated Report section displays the ISP data collected over the selected date range for the ISP Program. The following terms are used in Programmatic Reports:
 - **S:** Score of each task.
 - **C:** Trial Count, or number of times the task was documented for each task.
 - **DB:** Deviation between the task score and the Baseline Score. (You do not have to use this if you did not enter baseline scores.)
 - **DP:** Deviation between a task score and the Previous task Score.
