

Record MAR Data

Users assigned with the **MAR Data Submit** role can record new Medication Administration Records (MARs). Users assigned with the **MAR Data Update** role can update existing MAR data in **Detailed Mode**.

1. Click on the **Record Data** link beside the **Data** option under the **Health** tab.

2. Select the appropriate program from the **Program List** page.

Program List

Program Name	Site Name	Program Type	Cost Center Number	Program ID
(Demo) Academic Activities	Therap Global Demonstration Provider	Preschool		02
(Demo) Education and Development	(Demo) TG Center for Children With Special Needs	Individualized Skills Development		123

3. Select the Individual name from the **Select Individual** list page.

Select Individual

Program: (Demo) Education and Development ((Demo) TG Center for Children With Special Needs)

15 Records

Last Name ▲	First Name ◆	Individual ID ◆	Birth Date
Abraham	Isaac		02/01/2011
Basnet	Sima		01/01/2014
Chowdhury	Niloy		01/01/2010
Maria	Putri		01/01/2010
Mary	Angela		05/01/2010

4. After you have selected the appropriate program and individual name from the lists, the **Medication Administration Record Configuration** page of that individual for that particular month will be displayed. Users then may either record data in **Quick Mode** or **Detail Mode** on the MAR.

Medication Administration Record Data - June , 2023

Individual Name: Putri Maria
