

Assessment List

(Assessment List)

Assessment List is a tool used to track and manage assessment scores for individuals. It allows users to view a list of individuals and their corresponding assessment scores. The list is organized by individual and includes columns for the individual's name, ID number, and assessment score. The list is updated in real-time as new assessments are added.

Assessment List is a tool used to track and manage assessment scores for individuals. It allows users to view a list of individuals and their corresponding assessment scores. The list is organized by individual and includes columns for the individual's name, ID number, and assessment score. The list is updated in real-time as new assessments are added.

Advance Directives	Album	Allergy Profile	Assessment List
Attached Files	Case Status	Contact List	Custom Fields
Diagnosis List	Individual Details	Individual Home Page	Insurance
Pending Admission Notes	Program Enrollments	Shared Contact List	Team Members

Assessment List is a tool used to track and manage assessment scores for individuals. It allows users to view a list of individuals and their corresponding assessment scores. The list is organized by individual and includes columns for the individual's name, ID number, and assessment score. The list is updated in real-time as new assessments are added.

To add a new assessment score, click on the **Add New Assessment Score** button. This will open a form where you can enter the individual's name, ID number, and assessment score. The score is then added to the list and the list is updated in real-time.
