

Pag-Enter ng Skin/Wound Data

Ang mga user na may **HT submit roles** ay makakapag -enter ng data ng skin/wound.

1. I-click ang link na **New** sa hilera ng **Skin/Wound** na nasa **Health Tab**.

The screenshot displays the Therap Global interface. On the left is a navigation sidebar with tabs: To Do, Individual, Health (selected), Agency, Billing, and Admin. The main content area is titled 'Medication Administration Record' and 'Health Tracking'. Under 'Health Tracking', there are three rows: 'Configuration' (New | Search), 'Data' (Record Data | Due Medications | Search | Report), and 'Appointments' (New | Search | Calendar View). Below these is a row for 'Skin/Wound' with a 'New' button highlighted by a red box and a 'Search' button. On the right side, there are two panels: 'Issue Tracking' (New, My Issues) and 'SComm' (Inbox (4), Sent Items, Compose, Drafts, Custom User Group, Message Audit, Delete Message).

2. Piliin ang **Program** sa listahan.

Select Program For Skin/Wound

15 Records

Program Name	Site Name	Program Type	Cost Center Number	Program ID
