

Detalyadong Report ng ISP Data

(ISP Data Detailed Report)

Ang mga users na may role na **Super Admin** Administrative o role na **Report Library** Module ang makakaaccess sa Report Library.

1. I-click ang **View** link sa hilera ng **Report Library** option sa **Reporting** tab.

The screenshot shows the Therap Global software interface. On the left, there is a sidebar with tabs: 'To Do', 'Favorites', 'Individual Home Page', 'Individual', and 'Reporting'. The 'Reporting' tab is highlighted with a yellow box. On the right, there are two main sections: 'Agency Wide Reports' and 'Data Dashboards'. The 'Agency Wide Reports' section contains three items: 'Last Login Information', 'Report Library', and 'Staff Report'. The 'Report Library' item has a 'View' link next to it, which is also highlighted with a yellow box. The 'Data Dashboards' section contains one item: 'ISP Data Dashboard' with a 'View' link next to it.

2. Sa page ng **List of Reports**, maaring i-filter ang list ayon sa **Report Name** o **Report Description**, i-click ang **Search** button upang magenerate ang report.

Report Name

Appointment Report - All Appointments Results for Individuals

This report includes Health Tracking Appointments for a given Event Date From/To. The report contains many details of the appointment form including results, therefore, if multiple results are included there will be multiple rows for the same Appointment form.

Appointment Report with Followup and Previous

This report includes Health Tracking Appointments for a given Event Date From/To. The report contains basic details of the appointment (i.e. Type, Event Date/Time) and lists basic details of any FollowUp Appointment and Previous Appointment.

Attendance Billing Summary Report

1. This report calculates the unit from duration for the entire day and not for each session. 2. Please do not search with more than one month date range.

Attendance Record Statistics Report by Program

Please run this report with maximum 12 months date range.

Attendance Report :: Time Range Overlapping Check Across Multiple Service Per Program

This report will show a listing of individuals who have overlapping attendance entries under the same program. Please do not search with more than 7 days date range.

Attendance Summary Report with Expanded Details

This report will show attendance and generated billing information, as well as details regarding when an entry was updated. Please do not search more than one month date range.

Behavior Detailed Report

Details of each Behavior. Please do not search more than two months.

Business Intelligence User Dashboard Assignment for Provider

This report shows the user information for whom at least one BI dashboard has been assigned. i.e Login name , First Name, Last Name and the corresponding assigned BI dashboard Name and Type along with the Latest Assignment date. Note: The latest assignment date is the latest date of saving the "Assign User Dashboards" page for the user.

Caseload Report :: User Access on all Individuals

This report lists which individuals a user has on their caseloads and includes the caseload assignment that allows them access to that individual's records.

Case Note Detailed Report

This report would show case note details similar to regular case note search with two additional columns for Activity type and Location. The note will be displayed once the report is exported to excel. The maximum allowed date range is 13 months.

Case Note Report :: Case Note with Questionnaire info

This report includes all case notes that have questionnaires included. Questions and answers from the questionnaire will be displayed. Prior to running the report, a user can enter service dates (up to one year date range) and filter results by the questionnaire name or the template name. The questionnaire or template name can be a partial match, meaning it contains a keyword from the title but does not need to include the whole title. They can also be left blank, which would return questionnaire details from all templates/questionnaires.

Demographic Report :: Top 10 Diagnosis

Diagnosis Code Report

Diagnosis Report :: all Individuals with the Program Enrollment and Discharge Date

This report includes diagnosis details such as ICD 10 Diagnosis Code, ICD 10 Description, and Primary Diagnosis (Yes/No) along with basic details from the IDF such as Program Enrollment and Discharge Date.

Diagnosis Report - All Active Individual (Without Program)
