Help

ISP Program Name: This is the title of the ISP Program.

Start Date: This is the first day that data collection can begin. **This field cannot be edited after approval.**

End Date: This is the last date of data collection. This field **can** be edited after approval. Adding an End date will not discontinue an ISP Program.

Target Completion Date: Anticipated date of completion. This field does not impact data collection dates. Adding a target completion date will not discontinue an ISP Program.

Location: Where the service is provided.

Long Term Objective: Overall Goal(s) for Individual.

Goal/Service: List or outline individual tasks/ staff supports here.

Reason for Program: Define the reasons or rationale for the Goal / Program. This could be a statement of why the team felt the program was applicable or a person centered statement.

Criteria for completion: Define what must be met for this program to be completed, re-evaluated or modified.

Materials Required: List all items required for this program and where they can be found.

End Date (DDMMYY): ISP 0000 000000 0000 000000 000000 000000 0000 0000

Define New Scoring Method

Continue

Step 1: Select the scoring method for the program. If you select "Level of Independence", you will be prompted to select the level of independence for each activity.

Scoring Method Administrative (Therap[®] Global Scoring Method) is a tool that allows you to define new scoring methods for your program. To define a new scoring method, click the **Define New Scoring Method** button (located at the bottom right of the page). This will take you to the "Define New Scoring Method" screen, where you can enter the details for the new scoring method.
