## Help

**ISP Program Name:** This is the title of the ISP Program.

**Start Date:** This is the first day that data collection can begin. **This field cannot be edited after approval.**

**End Date:** This is the last date of data collection. This field **can** be edited after approval. Adding an End date will not discontinue an ISP Program.

**Target Completion Date:** Anticipated date of completion. This field does not impact data collection dates. Adding a target completion date will not discontinue an ISP Program.

**Location:** Where the service is provided.

**Long Term Objective:** Overall Goal(s) for Individual.

**Goal/Service:** List or outline individual tasks/ staff supports here.

**Reason for Program:** Define the reasons or rationale for the Goal / Program. This could be a statement of why the team felt the program was applicable or a person centered statement.

**Criteria for completion:** Define what must be met for this program to be completed, re-evaluated or modified.

**Materials Required:** List all items required for this program and where they can be found.
