

Create ISP Program Template (ISP Program Template Library)

ISP Program Template Library is a central location for creating and managing Individualized Service Plans (ISPs). This library allows users to create, edit, and manage ISP Program Templates. These templates are used to create Individual Education Plans (IEPs) for students. The library includes a 'New' button to create a new template, a 'Search' button to find existing templates, and an 'Archive' button to manage the lifecycle of templates. The library is organized into tabs for different user roles: Individual, Health, Agency, Billing, Admin, and Agency.

ISP Program Template Submit Role (ISP Program Template Library) allows users to create, edit, and manage ISP Program Templates. This role is used to create Individual Education Plans (IEPs) for students. The library includes a 'New' button to create a new template, a 'Search' button to find existing templates, and an 'Archive' button to manage the lifecycle of templates.
