

Demographic Dashboard (Administrative Role)

Demographic Dashboard (Administrative Role) provides a comprehensive overview of patient demographics, including age, gender, ethnicity, and insurance status. It also displays the distribution of diagnoses, categorized by ICD-9/ICD 10/DSM-5 codes. This dashboard is essential for understanding the patient population and identifying trends in healthcare utilization.

Admin Report Administrative Role (Administrative Role) provides a comprehensive overview of patient demographics. **Demographic Dashboard** (Administrative Role) provides a comprehensive overview of patient demographics.
