4. **Create New (Individual)**
 This screen is used to create a new individual record. It is accessed from the Individual List screen by clicking on the **Create New** button. The screen displays a form to enter the individual's details, including name, birth date, and gender. The form is divided into sections for **Individual Information**, **Primary Diagnosis**, and **Active Diagnoses**. The **Primary Diagnosis** section includes a dropdown for the diagnosis code and a text area for the description. The **Active Diagnoses** section includes a table to list the active diagnoses, with columns for diagnosis coding type, diagnosis code, description, DSM-5, billable, diagnosis date, diagnosed by, entered by, last updated by, and time zone. The **Active Diagnoses** table shows 1 entry for ICD-10 F84.0 - Autistic disorder.
