

Sahihisha Pahala

Ukihitaji kubadili taarifa za **Site**, unaweza kufanya hivyo kwa kusahihisha taarifa za eneo husika .

Mtumiaji mwenye **Provider Setup** Administrative Role ana uwezo wa **kusahihisha/kufuta mahali katika eneo husika la shirika.**

1. Bonyeza kitufe cha **list** pembedi na eneo kwenye tabu ya **Admin**.

To Do	General	
Individual	Provider	Preferences Password Policy Archive Preference
Health	User Privileges	Manage Archive Legacy Archive Upto Jul 2011
Agency	Program	New List Archive Import from Excel Search Imported Excel
Admin	Site	New List Archive
Agency Reports	Individual Home Page	Select Profile Items

2. Katika ukurasa wa **site search**,chagua eneo unayopenda kusahihisha . Unaweza kuingiza jina la eneo kwenye nafasi ya filter ili kuchuja na kupata orodha fupi.
